§ 1206.200 Terms defined.

Unless otherwise defined in this subpart, the definitions of terms used in this subpart shall have the same meaning as the definitions of such terms which appear in Subpart A—Mango Promotion, Research, and Information Order.

§ 1206.201 Definitions.

Organic Act means section 2103 of the Organic Foods Production Act of 1990 (7 U.S.C. 6502).

§ 1206.202 Exemption for organic mangos.

(a) A first handler who operates under an approved National Organic Program (NOP) (7 CFR part 205) system plan, handles only products that are eligible to be labeled as 100 percent organic under the NOP, and is not a split operation shall be exempt from the payment of assessments.

(b) To obtain this exemption, an eligible first handler shall submit a request for exemption to the Board—on a form provided by the Board—at any time initially and annually thereafter on or before the beginning of the fiscal period as long as the first handler continues to be eligible for the exemption.

(c) The request shall include the following: The first handler's name and address, a copy of the organic farm or organic handling operation certificate

provided by a USDA-accredited certifying agent as defined in the Organic Act, a signed certification that the applicant meets all of the requirements specified for an assessment exemption, and such other information as may be required by the Board and with the approval of the Secretary.

(d) If the first handler complies with the requirements of paragraph (a) of this section, the Board will grant an assessment exemption and shall issue a Certificate of Exemption to the first handler. For exemption requests received on or before August 15, 2005, the Board will have 60 days to approve the exemption request; after August 15, 2005, the Board will have 30 days to approve the exemption request. If the application is disapproved, the Board will notify the applicant of the reason(s) for disapproval within the same timeframe.

(e) An importer who imports only products that are eligible to be labeled as 100 percent organic under the NOP (7 CFR part 205) and who is not a split operation shall be exempt from the payment of assessments. That importer may submit documentation to the Board and request an exemption from assessment on 100 percent organic mangos—on a form provided by the Board—at any time initially and annually thereafter on or before the beginning of the fiscal period as long as the importer continues to be eligible for the exemption. This documentation shall include the same information required of first handlers in paragraph (c). If the importer complies with the requirements of this section, the Board will grant the exemption and issue a Certificate of Exemption to the importer within the applicable timeframe. The Board will also issue the importer a 9-digit alphanumeric Harmonized Tariff Schedule (HTS) classification valid for 1 year from the date of issue. This HTS classification should be entered by the importer on the Customs entry documentation. Any line item entry of 100 percent organic mangos bearing this HTS classification assigned by the Board will not be subject to assessments.

(f) The exemption will apply immediately following the issuance of the certificate of exemption.
